

EAGLECELL™

ALL-PAPER HONEYCOMB GRAPHICS BOARD

Packaged better to protect your product and keep your cost down!

★ **Paper shipped *in* paper!**

Packaged in cartons made from **100% recycled** paper. Completely **biodegradable**.

★ **Paper shipped *on* paper!**

Honeycomb pallets are lighter than wood and made from **100% recyclable, biodegradable** material.

Pallets can be baled and disposed of with other corrugated and paper products.

★ **Easy handling!**

Pallet entry height is **3.5"** and is available from **all four sides** of unit.

★ **Larger pallets!**

Pallets are **2" larger** than the product, keeping it safely away from the edges and possible forklift damage.

★ **Made in the U.S.A.** ★

100% Recyclable
